

10 Space Moon Cycle Shelter Information Sheet

10 Space Moon Cycle Shelter

The 10 Space Moon Cycle Shelter offers security and protection from the elements at a great price.

This product has been designed with a fire-resistant, anti-climb polycarbonate roof to reduce the risk of damage or vandalism.

Polycarbonate end panels are also included to provide weather protection for up to 10 bikes.

Deliver convenient storage that's functional and adds value for your cyclists.
